

ALPHA DIVE CENTRE

Refresher Course Policy

1-5 years policy

If the diver has not dived within a one to five year period he/she will be required to complete a Refresher Pool Session. This will include a briefing by a dive Instructor with regards to gear assembly and proper practice of the 24 skills, both in and out of the pool. Once completed the diver will be issued with a *Scuba Skills Update* certification.

Cost: R850

5-10 years policy

If the diver has not dived within a five to ten year period, he/she will have to complete an Extended Refresher Course. It consists of Open water course theory, exam, pool session and a sea dive. Upon completion of the Extended Refresher course the diver will be issued with a Scuba Skills Update certification.

Cost: R2500

10+ years policy

If the diver has not dived within a ten year period, he/she will have to firstly complete the Extended Refresher Course plus signing up for either their next course or a speciality course of their choice. However, the speciality course chosen may not be a dry course e.g. EANx. This is to ensure the continuation of diving and to build up the diver's knowledge.

Cost: R2500 + cost of continuation course

***The diver MUST provide proof of certification for any previous courses done.**
